Date and duration	August 08-12,2022
Name of the department/chair/centre	Mangalore University Library
Brief report of the programme (200 words) along with Geo-tagged Photographs/Photographs with date and caption and outcome of the programme Number of Teachers Participated	About Workshop Theme Transformation of libraries for NEP- 2020 Sub – Themes 1. NEP, interdisciplinary research and role of libraries 2. Online databases for research and academic activities of the higher education institutions 3. Open source electronic resources in promotion of research and academic activities 4. Research writing tools - Grammarly, Plagiarism and research ethics 5. Applications of statistical tool in data analysis –SPSS package 6. "Koha" – theoretical framework, different modules and their applications in libraries Relevance of the Workshop in the Present Context National Education Policy (NEP) 2020 greatly emphasizes on interdisciplinary and multi – disciplinary studies and research and is mainly focusing on student – centered education. The students have more options and liberty in pursuing education. Hence library becomes hub of knowledge for research & academic activities and plays greater role in higher education institutions. Under these circumstances it is necessary that library staff have to possess knowledge of new tools, technologies and skills of handling these technologies, software, information gathering, consolidation and search strategies, So users, particularly those involved in research have to be familiar with search techniques of various databases and selection of appropriate information from different sources. Keeping these requirements in mind the present workshop is organised
