Title of the capacity development/skill enhancement programme	NATIONAL WOKSHOP ON SOPHISTICATED INSTRUMENTS USAGE
Date and duration	April 04 – 09, 2022 and 6 days
Name of the department/chair/centre	DST - PURSE
Objectives of the programme	To create awareness about the sophisticated analyses facility available in DST – PURSE of Mangalore University campus among the potential users from research and industry in the national level.
Brief report of the programme (200 words) along with Geo-tagged Photographs/Photographs with date and caption and outcome of the programme	Workshop was organized at Mangalore University campus, Mangalagangothri by DST – PURSE Instrumentation Centre from 4 th to 9 th of April, 2022. More than 50 researchers across the states participated in the workshop. Senior scientists from various institutions and application specialists of different instruments delivered plenary lectures and provided technical training to the delegates.
Name of the agencies/consultants involved with contact details (if any)	JEOL INDIA Pvt. Ltd., Bangalore. Spinco Biotech Pvt Ltd., Bangalore. Carl Ziess India (Bangalore) Pvt. Ltd., Bangalore. Water (India) Pvt. Ltd., Bangalore. Toshvin Analytical Pvt. Ltd., Bangalore
Number of students participating in this capacity development/skill enhancement programme	50

D.O. No. DST/STUTI/2021

Dated 17th February 2022.

Subject: Organization of Awareness & Training Programs under the STUTI 2021 Program

Dear Sir/ Madam,

As part of the year-long 'Azadi ka Amrit Mahotsav (AKAM) celebrations, a 'Science Week' is planned during 22nd to 28th February 2022 by the Government of India. The DST as part of the celebrations is organizing Awareness Programs under the 'Synergistic Training program Utilizing scientific and Technological Infrastructure (STUTI)' program of the R&D Infrastructure Division. The STUTI program envisions hands-on-training and sensitization of the state-of-the-art equipment as well as towards sharing while ensuring transparent access of S&T facilities.

The Awareness program (22nd-28th February 2022) encompasses science popularization among school students (Science Stream) by means of short training on R&D equipment and popular science events. The training program (year round) under STUTI targets Scientists/ researchers actively involved in research for a hands-on training program on the state-of-the-art equipment for one-week duration.

In this connection, we request you to ensure that the above said programs are celebrated with full fervour, by keeping the FIST/ PURSE/ CURIE/ SAIF/ SATHI facility at your institute open and welcoming for organizing the programs under STUTI program by any of the Project Management Units (PMUs) identified by the DST.

With best regards

Shyom Junder Wolde (S. S. Kohli)

To, All FIST/ PURSE/ CURIE/ SAIF/ SATHI centres

Prof. P. Subrahmanya Yadapadithaya Hon'ble Vice Chancellor, MU

Patron:

Prof. Kishore Kumar C.K. Registrar, MU

Advisory Committee: Prof. P.L. Dharma Registrar (Evaluation), MU Prof. Y. Muni Raju Finance Officer (i/c), MU Prof. Manjunatha Pattabi Dean - Faculty of Science, Director - IQAC and Chairman - Dept., of Materials Science, MU Prof. Monika Sadananda Chairperson, Dept., of Biosciences, MU Prof. A.M. Khan Chairman, Dept., of Electronics, MU Prof. Ganesh Sanjeev Chairman, Dept., of Physics, MU Prof. K.S. Sreepada Chairman, Dept., of Applied Zoology, MU Prof. Krishnakumar G. Chairman, Dept., of Applied Botany, MU Prof. Jagadeesh Prasad D. Chairman, Dept., of Chemistry, MU Dr. Ramesh S. Gani Chairman, Dept., of Industrial Chemistry, MU Dr. Chandrashekhara Joshi Chairperson, Dept., of Biochemistry, MU Prof. K.S. Jayappa Chairperson, Dept., of Marine Geology, MU Prof. K. Bhasker Shenoy Former Coordinator, DST-PURSE, Dept., of Applied Zoology, MU Prof. N. Karunakara Head, USIC/CARRT/CARER, MU

About Mangalore University:

Mangalore University (MU) was established in 1980. The main campuscalled as, 'Mangalagangotri' is locatedabout 20 km to the south east of the port city of Mangaluru. MU aims at excellence in teaching, learningand research and to contribute towards building a socially-sensitive humaneinclusive society.

MU has grown impressively since its inception. Excellent research performance of MU is recognized by the award of PURSE grant by the Department of Science and Technology (DST) in 2 phases. Ministry of Human Resource Development (MHRD) has identified MU as one of the beneficiaries of Rashtriya Uchchatar Shiksha Abhiyan (RUSA) Grant. In addition, MU has also been able to establish several research centresviz., Microtron Centre, CARRT, CARER, OASTC etc. in collaboration with various government agencies.

About the DST-PURSE Instrumentation Centre:

Recognized as one of the top research performers of the country with excellent publication/citation metrics, Mangalore University has received the first grant in the year 2012 to establish central instrumentation centre under the scheme of PURSE Instrumentation Centre from DST, Govt., of India. It houses high-end equipments such as FESEM/ EDAX, single crystal XRD, UV-visible spectrophotometer, Liquid Chromatograph Mass Spectrometer, Gas Chromatograph Mass Spectrometer, DSC/ TGA, Confocal microscope, Amino acid analyser and so on. Thefacilities are accessible to interested researchers at subsidized rates.

About the MHRD-RUSA NMR Instrument Centre:

Nuclear Magnetic Resonance (NMR) spectroscopic facility was established in the year 2019 under the RUSA Scheme from the MHRD, Government of India.

The lab has JEOL 400 MHz instrument, which provides 1D and 2D NMR experiments.

About the Workshop:

To create awareness about the sophisticated analyses facility available in the DST-PURSE and NMR labs of MU (contd., in reverse side)

informed along with the confirmation e-mail.

(3) Details of the programme schedule will be informed in the coming days.

(continuation)

labs (mentioned above) of MU campus among the potential users from research and industry at the national level. It is proposed to conduct plenary lectures, technical talks and demonstration of the equipment available in the labs. The delegates would learn about the available facilities and gain expertise in the use of sophisticated instruments, which will maximize the utility of facility and enhance the research output.

The workshop would also provide a platform for the delegates arriving from various institutes and different disciplines to form a network of interdisciplinary research.

Participants: MU invites the interested Faculty, Engineers, Doctors, Research Scholars and Students as delegates to participate in the Workshop.

Registration: Online submission of the Letter of Intent may please be made on or before dt: 21-03-2022. To conduct the workshop effectively, selection will be made on the basis of certain criteria. Only on receiving the confirmation e-mail from the organizers, candidates are requested to pay the applicable fee and submit the online request form by dt.25-03-2022.

Registration Fee:

Category of delegates	Registration fee (Rs.)
