About BMRCL

Several MRTS proposals for Bangalore have been in the pipeline for nearly 24 years. In 1982, a study suggested that the MRTS should have a route length of 12.20 km. and pegged the cost at Rs. 239.15 crores. In 1983, the Metropolitan Transit Project, an organization of Indian Railways, prepared a feasibility report for provision of suburban rail services on existing lines, a circular railway of 57.9 km. metro system on two corridors, in Phase-I 12.9 km. from Rajajinagar to Jayanagar and in Phase - II 11.2 km. from Hudson Circle to Krishnarajapuram. In 1988, a World Bank aided study was carried out by RITES and the study recommended a Commuter Rail System along with improvement of road transport system.

About Insolvency and Bankruptcy Board of India

Insolvency and Bankruptcy Board of India was set up on 1st October 2016 under the Insolvency and Bankruptcy Code, 2016 (Code). It is a unique regulator: regulates a profession as well as transactions. It has regulatory oversight over the Insolvency Professionals, Insolvency Professional Agencies and Information Utilities. It writes and enforces rules for transactions, namely, corporate insolvency resolution, corporate liquidation, individual insolvency resolution and individual bankruptcy under the Code. It is a key pillar of the ecosystem responsible for implementation of the Code that consolidates and amends the laws relating to reorganization and insolvency resolution of corporate persons, partnership firms and individuals in a time bound manner for maximization of the value of assets of such persons, to promote entrepreneurship, availability of credit and balance the interests of all the stakeholders.

About Insolvency and Bankruptcy Board of India

Insolvency and Bankruptcy Board of India was set up on 1st October 2016 under the Insolvency and Bankruptcy Code, 2016 (Code). It is a unique regulator: regulates a profession as well as transactions. It has regulatory oversight over the Insolvency Professionals, Insolvency Professional Agencies and Information Utilities. It writes and enforces rules for transactions, namely, corporate insolvency resolution, corporate liquidation, individual insolvency resolution and individual bankruptcy under the Code. It is a key pillar of the ecosystem responsible for implementation of the Code that consolidates and amends the laws relating to reorganization and insolvency resolution of corporate persons, partnership firms and individuals in a time bound manner for maximization of the value of assets of such persons, to promote entrepreneurship, availability of credit and balance the interests of all the stakeholders.
