2.6 Innovative processes adopted by the institution in Teaching and Learning:

- E-source for journals and books was subscribed by the University and extended to students for widening the learning resource base. Users have the access to 23,378 journals in the library.

- Entire campus is configured as Virtual Local Area Networks (VLAN). The connectivity within the department is extended through CAT5/CAT6 UTP cabling, while connectivity across building is established through OFC backbone.

- Core switch at the computer centre provides high speed switching required across the campus network. The switch in the Department/Office/Building is used to provide wired connectivity to class rooms/ faculty rooms / Labs etc.

- The internet access is made available to all users through wired ethernet outlets as well as through campus wide Wi-Fi (Wireless) network.

- Project work in PG programmes was introduced.

- Faculties were trained to use the examination software.

- Digitization of PhD thesis and uploading on Shodhaganga platform.

- Video Conferencing System to ease the communication between academicians and administration.

- Visiting individual organization, community organizations, local administrative bodies and national laboratories in furtherance of academic pursuits.

- Plagiarism checking before submission of PhD thesis and publication of research papers using termite software.

- Conducted credit based lecture programme under GIAN programme introduced by MHRD.

- Open electives system was introduced which gave mobility to students to take courses in departments other than the department in which he/she is to get the degree.

- Introduced innovative courses such as Fire and Safety Management and Human Consciousness and Yogic Sciences.

- Appointment of adjunct professors to supplement teaching and research.

- Purchase of MATLAB software.

- Open house programme to showcase the strengths of the departments.

5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

- IQAC is striving to activate several University systems to enhance the facilities meant for the main stakeholders/students.

- The Library, ICT wing, students welfare sections have been requested to be vigilant and active to ensure a student-friendly environment in the teaching and learning process.

- Departments have been requested to initiate sensitising programmes for students on various facilities available in the University including sports, cultural and other extra-curricular activities.

- An International Student Centre has been established to take care of international students.

- A bridge course was organised to create awareness about the student support services in the University.

- Language teaching classes to Internatinal students.

5.2 Efforts made by the institution for tracking the progression

Mentoring is done through Counselling and Remedial programmes for students at individual as well as group levels. Generally, the faculty, individually or in groups mentor and support the students according to their needs. When found inadequate, appropriate actions are initiated to rectify the areas wherever required. The assessment of teachers, department and infrastructure available to students helped the University to track the progression.

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- The University has installed solar panels to harvest the light energy which is being used in laboratories and hostels as an alternate source of electricity.

- The solar energy is being used for cooking purpose in all the hostels which accommodate more than 1,500 students.

- The solar energy is also used for water heating purposes, in the hostels and guest houses.

- Check dams have been constructed in the campus to recharge the ground water.

- The students and staff are being educated to reduce the usage of plastics and a drive has been initiated towards plastic free campus, through periodical programmes as a part of "Swacch Bharath Abhiyan".

- The Institution organises national festivals and birth/death anniversaries of celebrities.

- The drip irrigation/sprinkler irrigation has been introduced to water the plants in the gardens, medicinal plants garden and special garden such as "Arboretum" in the campus as a part of water conservation programme.

- The project work has been introduced at the PG level, where the students of different disciplines will visit already identified villages under the "University Village Adoption Programme" and interact with the local people to gather the information on various aspects. This data will be used for the preparation of the project report as a part of curricular activities and also considered as a baseline data for the preparation of a developmental plan of the village.

- Identifying and honouring the achievers of our alumni on the Founders day program.

- Initiated the resurveying of the entire campus to prevent the land encroachment for the first time.

- Institution of best teacher award.

- Preparation of vision document 2030 of Mangalore University.

- Prasanranga silver jubilee program.

- Celebrations of birth anniversaries of achievers.

- Installation of CCTV camera in all the hostels.

- Honoured all the past Vice Chancellors for their contributions on the foundation day.

- Initiated back to root programme under which scientists were invited to Mangalore University

- Open house programme to showcase the strengths of the departments.

7.2. Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- Conducted national workshop and conference, the syllabi have been revised and choice based credit system was introduced. Students were made to work on the actual company cases, make presentations on the government budget, RBI policy statements and etc.
- Monitoring the tutorials and practicals.
- Student centric programmes were organised on leadership qualities, decision making power, capacity building and skill enhancement activities.

7.3 Give two Best Practices of the institution

Title of the Practice 1:

1. Best Teacher Award

Objectives
1. To identify the 'Best Teacher' in different disciplines
2. To felicitate best teacher of the year

Context

The teachers are involved in teaching, research and also in extension activities. The contributions of teacher in terms of innovation in teaching methodology, research output in terms of publications and extension activities should be recognised by the university and the committed teachers should be given incentives.

The Practice

a) The applications were invited from the members of the faculty.
b) The applications were scrutinised by a committee constituted by the Vice Chancellor comprising of only the external experts.
c) The committee shortlisted the teachers, one each from the faculty of Science, Arts, Commerce and Management respectively.
d) The identified teachers were felicitated by the Vice Chancellor and the guests on Teachers' day.
e) The teachers were given the "Best Teacher Award" with a "Citation" and a cash prize of Rs.25,000/- each.

Evidence of Success

1. Initially there were few applicants for the award.
2. Subsequently, many teachers started applying for the award.
3. This practice motivated the teachers to be "good teachers" and an healthy practice was inculcated among the faculty.

Problems Encountered and Resources Required
1. Initial hesitation of the teachers to apply for the award.
2. In disciplines such as education, there were a limited number of teachers eligible to apply for the award, it was not possible to declare the award.
3. As there are no specific guidelines for the award, the committee finds it difficult to identify the teacher for the 'best teacher award.' Therefore, proper guidelines should be drafted to facilitate the process of selection.

Title of the Practice 2:

2. Village adoption program - 'MANGALA YOJANE'

Objectives

1. To help the villages in the execution and implementation of various sponsored schemes by Govt. and Non govt. organizations through technical and logistic support for socio-economic development of the village,
2. To identify the capacity building needs of the villages,
3. To give an exposure to PG students about the village life through various welfare activities.

Context

Majority of the villages in the vicinity still face a lot of constraints such as education, health facilities, drinking water, power, roads etc. Against this background, the concept of "village adoption" especially in the backward regions which needs a holistic and integrated development programs with the support of educational institution was taken up by the university. Therefore, 5 villages i.e., Balpa, Konaje, Balepuni, Naringana, Katipalla were selected by the university under 'Swachh Bharat Abhiyan' to transform them into "Adarsh Villages".

Execution of the program

To facilitate and for the effective implementation of the programs in a phase- wise manner selecting a village, different activities such as; socio-economic survey; awareness campaign on sanitation, health and education, environment and conservation issues; waste management; implementation of govt. schemes; development activities with credit support; Human resources development; women empowerment; skill development and self-employment etc. Various groups/ committees were constituted involving faculties and students of various departments. As a part, Konaje and Naringana villages were selected on priority, baseline data on various issues were collected and awareness programs on health and environment, waste management, and a few village development programs like training program on 'Water resource management' –'Freshwater aquaculture practice' and 'Rain water harvesting', have been conducted by involving Govt. agencies, NGO's, NSS groups, students and through people participation in the village.

Evidences of success

It was possible to; 1. Record the baseline date on various issues. 2. Identify the needs of the villages and create awareness about the welfare schemes 3. Prepare the plan document (for socio-economic, Infrastructural development of the village) 4. Co-ordinate and build network for physical, financial and promotional support and 5. Enlighten students about the village life in reality.

Problems Encountered and Resources Required

1. Initial hitches in the co –ordination of the program,
2. Accessibility to the remote villages,
3. Lack of awareness resulting in unwillingness of the general population in the implementation of the program,
4. Financial constraints.

7.4 Contribution to environmental awareness / protection

- Environmental awareness programmes on "ecology and environment" were organized under the auspices of Vijay Bank Chair.
- A special garden "Arboretum" has been established in the University campus, wherein endemic, rare, end emerged and threatened plants of Western Ghats have been planted and maintained in 5 acre.
- The conservation of flora of the Western Ghats is a continuous process of the University with the financial assistance from major research funding from VGST, BRNS, MOEF and the endowment chairs of the University.
- Planting local species through NSS students.
- Swachatha Abhiyan.
- Waste management programme.

7.5 Whether environmental audit was conducted?   Yes [√]   No [ ]

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strengths:

- The University is Accredited with 'A' Grade by NAAC
- Excellent research facilities have been developed through funding from DST- PURSE, DST-FIST, UGC-SAP, DAE-BRNS, BRIT, DOD, etc.
- Exposure of faculty to international laboratories/research centres through various international fellowships and MOU.
- Well developed, spacious library with ICT, e-resources facilities, Computer Centre with mail, web and applications servers.
- Modern sports facilities like gymnasium, indoor stadium, playgrounds, outdoor stadium with 400 metres track are available. These facilities are also available for other extra-curricular activities.
- Centre for distance education which provide higher educational facilities for the needy people.
- Training of SC/ST/OBC students for competitive examinations, such as UGC/CSIR/IAS/IPS/ICAS, etc.
- Prasaranga, Study Centres and Peetas are engaged in spreading the knowledge to the society and researching on the issues/problems related to women, weaker sections of the society, environmental awareness, banking, yoga, ayurveda, painting and culture.
- Extension of consultancy services to industries.
- Promptness in administrative procedures.
- Research and Consultancy Promotion Cell (RCPC) to promote research and consultancy services in the University.

Weaknesses:
1. Physical infrastructure and human resources in some of the departments.
2. University is situated in a rural area.
3. Limited funds for cutting edge research.
4. Limited inter-disciplinary/multi-disciplinary approaches
5. Inadequacy of infrastructural facilities to introduce new academic programs.

Opportunities:
1. The University has already initiated a programme to strengthen the involvement of industries in academic programs. This will help in placements and develop a strong partnership with industries.
2. Syllabi of many courses are framed in consultation with industries which provide job opportunities to our students.
3. The National facilities for research in the University can be extended to other institutions and Universities in order to generate funds for the University.
4. Various collaborative research programs, faculty exchange programs with foreign Universities will be helpful in facilitating high end research activities. This makes a provision for sharing of intellectual properties.
5. Exploitation of research potential to generate revenues in the form of strategic consultancy.
6. Strengthening distance education programme by increasing the access and adoption of information and communication technologies more effectively.
7. The location of the University in the foot hills of the Western Ghats and Coastal Region is a great opportunity to initiate and strengthen research on Biodiversity and Conservation.
8. Enhancement of equity initiatives.

Threats:

- Increased competition due to establishment of private and public Universities around the campus.
- Limited financial support from the state government.
- Increased privatization of higher education
- Inadequate amenities for marginalized sections to increase the enrolment.
- Entry of foreign Universities into higher education.

Specific Objectives and expected results of the University Proposal:

Objective	Results
To increase the potential of the institution towards excellence	Increased ability of the University to compete with institutions of excellence at the global level.
To enhance quality of teaching-learning	Enhanced quality of teaching-learning process.
To uplift socio-economically backward, SC/ST/OBC community people	Increased access of socio-economically backward, SC/ST/OBC community people to higher education.
To enhance the PG programmes	More number of students will get the opportunity for higher studies.
To improve the ability of the scholars	Motivation of the scholars to undertake cutting edge research in the University.
To increase employability of the students	Enhancement in the employability of students through value added education.
To enhance the infrastructure facilities-academic/administration/research	Enhanced facility will help in attracting quality students/scholars to take up cutting edge research.
To enhance the consultancy activities	Enhanced consultancy activities to generate more revenues for the University.

8. **Plans of institution for next year**

- Syllabus revision and updating, encouraging the students to visit research institutions and industries and present the findings in the classroom.
- Procurement of instruments and up-gradation of the existing facilities.
- Building infrastructure to carry out Advanced Research in Emerging Areas.
- It is proposed to start a Diploma Course in Therapeutic Counselling and HRD to be offered to students along with their regular MSW programme on a self-financing basis.
- Workshops are planned for training students for competitive exams such as NET/KSET/GATE etc.
- Planning to start new PG departments at chikkaluvara and University college Hampankatta.
- Augmentation of collaborative research.
- Skill development programmes.
- To establish University gift centre.
- Proposed to construct lecture hall complex.
