About Us

Mangalore University, established in 1980, is one of the premier Universities of the country to cater to the higher education needs of Dakshina Kannada, Udupi and Kodagu districts of Karnataka, India. The University has systematic post graduate student centred curriculum, Wi-Fi enable campus, recognised research centres, library with all latest facilities and well established national & international collaborative research programs. The Department of Studies in Physics was established in 1968 at Mangalore Post Graduate Centre, University of Mysore and subsequently became one of the oldest departments of Mangalore University in September 1980. The Department is equipped with basic infrastructure & offering MSc Physics with Condensed Matter Physics, Electronics & Nuclear Physics as special subjects. The Department has several research programmes in collaboration with sister Universities and national/international laboratories. The department has sophisticated research laboratories for interdisciplinary research activities and currently, has 125 post graduate and has 93 research students.

Scope of the E-Conference

The E-conference is aimed to bring together scientists, technologists, researchers and industrialists across the globe to exchange their views and ideas for better possible scientific collaborations. ICPN 2021 especially deals with the applications of various tools and techniques in the field of Condensed Matter Physics & Material Science. The conference will cover theoretical and experimental aspects of the topics as mentioned with a broader outlook on the epoch making spin offs of the front line research activities in the field.

Importance Dates

Particulars	Date
Last date for Abstract Submission	25-09-2021
Paper Acceptance Intimation	30-09-2021
Last date for Full paper submission	15-10-2021
Last date for Registration	15-10-2021

Call for Paper

- **High quality original research papers are invited for the conference. The research paper should be as per journal template and be submitted online through conference website:**
- www.icpn2021.com
- <https://forms.gle/XWDySPk7VEbYaeNW7>
- **Accepted papers will be published in the UGC recognized with International standard series number (ISSN)- 175789981,1757899X "Institute of Physics" (IOP) Journal : Materials Science and Engineering.**
- Upon acceptance of the paper, it is mandatory for at least one of the authors to register and be online in the conference in order for paper publication.

Best presentation awards will be given

Registration

Categories	Registration Fee
National Delegates (R &D Organization, Industries)	Rs. 10000 /-
National Delegates (Faculty/Academia) without publication	Rs. 500 /-
National Delegates (Faculty/Academia) with publication	Rs. 7200 /-
Delegates (Research Scholar) without publication	Rs. 300 /-
Delegates (Research Scholar) with publication	Rs. 6800 /-
International Delegates (Academic, R &D Organization, Industries) without publication	US \$ 50
International Delegates (Research Scholar) with publication	US \$ 150

Each additional paper will be charged at RS. 6500 & US \$ 100

PAYMENT MODE (Debit/Credit Cards/Net Banking)

The details of online payment of registration and accommodation fee
 Account Name : Convener ICPN
 Account Number : 38163540697
 Bank and Branch : State Bank Of India, Mangalagangothri.
 IFSC Code : SBIN0008034

All the payments made should be informed to the Convener through mail for confirmation.

E-Conference Topics

- Solid State Materials and their properties
- Nano materials & Nanotechnology
- Conducting polymers & their nanocomposites
- Polymer blend films
- Bio-materials / Biopolymers
- Chemistry of Materials
- Soft, Magnetic and smart materials
- Polymer electrolytes
- NLO Materials
- Ferroelectrics and dielectric materials
- Composite materials
- Crystal growth & applications
- Thin films and applications
- Radiation processing in materials

International Scientific Advisor Committee

- Prof. Chennupati Jagadish, the Australian National University, Australia.
- Prof. Rabah Boukherroub, CNRS & University of Lille, France.
- Prof. Toshiaki Enoki, Tokyo Institute of Technology, Japan.
- Prof. Manish Chhowalla, University of Cambridge, United Kingdom.
- Prof. Sangaraju Shanmugam, (DGIST), South Korea.
- Prof. C R Praveen, (IISc), Bangalore.
- Prof. H. S. S. Ramakrishna Matte, (CeNS), Bangalore.
- Prof. B.L.V. Prasad, CSIR-National Chemical Laboratory Pune.
- Prof. Muhammed Musthafa. O. T, (IISER), Pune.
- Prof. T Narayana, (TIFR), Hyderabad.
- Prof. Rahul Mitra, (IIT), Kharagpur.
- Prof. M. M. Shaijumon (IISER), Thiruvananthapuram.

National Scientific Advisory Committee

- Prof. V.M.Jali, Gulbarga University, Kalburgi.
- Prof. M K Rabinal, Karnataka University, Dharwad.
- Prof. Rajashekar Bhajantri, Karnataka University, Dharwad.
- Prof. Ramasamy Jayavel, Anna University, Tamilnadu.
- Prof. Vincent Mathew, Central University, Kerala.
- Prof. Nagaiah, Bangalore University, Bangalore.
- Prof. Balachandra Hegde, Rani Channamma University, Belagavi.
- Prof. Aditya MahabhaiVora, Gujarat University, Gujarat.
- Prof. Shyam Khambholja, (BBIT), Gujarat.
- Prof. Anoop K. (CUSAT) Cochin, Kerala.
- Prof. P. Naresh, UCS Saifabad Osmania University, Hyderabad.
