

## Parent Feedback Analysis Report 2019-20

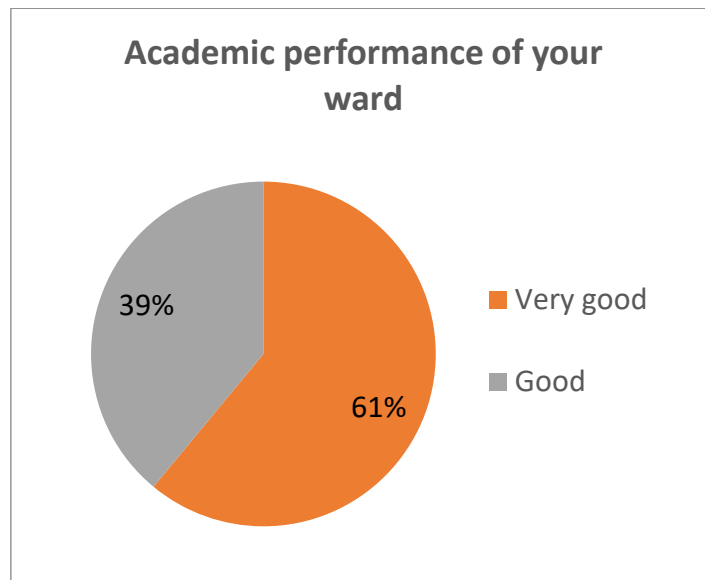

### Premise

The feedback from Parents is an important measure for the University to recalibrate and help it in its incessant drive to improve the quality of academic programmes offered, infrastructural and teaching-learning facilities geared towards outcome based learning and holistic education.

### Curriculum/learning environment-related

**Specific questions pertaining to the curriculum/learning ambience and performance included:** to rate the academic ambience/curriculum taught in the Department; whether the university campus environment is conducive for all round development; and to rate the academic performance in the University. The scaling is based on a Lickert 5-point scale with quality measures from below average (0) to excellent (4).

**Ratings on Teachers and University administration included:**

Question	Excellent	Very good	Good	Average	Below Average
<b>1. Availability of teachers for discussion / guidance / interaction</b>	<b>15%</b>	<b>54%</b>	<b>31%</b>	<b>0%</b>	<b>0%</b>
<b>2. How is the student redressal mechanism/responding to concerns of the students by the University</b>	<b>0%</b>	<b>23%</b>	<b>62%</b>	<b>15%</b>	<b>0%</b>
<b>3. How do you rate the administration's approach to student problems?</b>	<b>0%</b>	<b>15</b>	<b>62</b>	<b>23</b>	<b>0%</b>

**Ratings on Facilities included:**
