REGULATIONS GOVERNING 4 YEARS (3 YEARS COURSE WORK + 1 YEAR INTERNSHIP) - 8 SEMESTERS CREDIT BASED BACHELOR DEGREE PROGRAMME IN AUDIOLOGY AND SPEECH LANGUAGE PATHOLOGY (BASLP)

(Framed under sec. 44(1)c of the ksu act 2000)

Preamble:

The University Grants Commission, New Delhi in its tenth plan guidelines directed the Universities in the country to implement the credit based semester scheme in both under-graduate and post-graduate programmes. The Credit Based Semester Scheme, makes the product of a University at par with the global practices in terms of academic standards and evaluation strategies. In the emerging scenario of Internationalization of Indian Higher Education, it is imperative that the Universities in India should follow this system so that the mobility of their products both within and across the geographical jurisdiction becomes possible. Hence the Mangalore University thought it fit to introduce the credit based semester scheme in its undergraduate degree programmes effective from the academic year 2006-07.

The Salient Features of the Credit Based Semester Scheme:

Each course shall carry certain number of credits. Credits normally represent the weightage of a course and are a function of teaching, learning and evaluation strategies such as number contact hours, the course content, teaching methodology, learning expectations, maximum marks, etc. In the proposed programme, in general, 2 hours of instructions per week in a semester is assigned one credit. In terms of evaluation, one credit is equivalent to 50 marks in a semester. On these basis, a four year degree programme will have a maximum of 100 credits, excluding one year or 2 Semesters compulsory internship. The other features of the Credit Based Semester Scheme are

a) The degree programme is structured on semester basis.
b) The relative importance of subjects of study and activities are quantified in terms of credits and also their overall relative importance.
c) The subjects of study include languages, general studies and core subjects.
d) The students are required to take part in co-curricular and extra-curricular activities and their participation is compulsory as a part of the credit based system.
e) The internal assessment is continuous and incorporates innovative tools of teaching and assessment strategies.
f) The curricula and question papers are unitized.
g) The declaration of result is based on the aggregate percentage of marks obtained and Grade Point Average earned.
