

# MANGALORE UNIVERSITY

MANGALAGANGOTRI – 574 199

## GLOBAL INITIATIVE OF ACADEMIC NETWORKS

Global Initiative of Academic Networks (GIAN) is aimed at tapping the talent pool of scientists and entrepreneurs internationally to encourage their engagement with the institutes of higher education in our country to augment the country's existing academic resources, accelerate the pace of quality reform and elevate India's scientific and technological capacity to global excellence.

### Approved courses under GIAN Program in Mangalore University

*Click course titles for detailed information*

[Enabling Technology for Organic Synthesis \(September 17 – 22, 2018\)](#)

[Managing Coastal Systems, A Biogeochemical Perspective \(September 24-28, 2018\)](#)

[Multifunctional Advanced Nanomaterials and their Applications" \(December 03 – 08, 2018\)](#)

[Statistical Analyses of Big Data using R" \(December 03 – 08, 2018\)](#)

[Nano structure based wide band gap materials for sensor applications\(October 11-17, 2018\)](#)
