

Mangalore University
MSc Biotechnology Program
PROJECT LIST

Sl. No.	Register No.	Student Name	Project Title	Guide Name and Address
1	175114001	Afnan K	Genetic Identification and phylogenetic status of <i>Scomberomorus</i> species from Gujarat, India	Dr. Jeena N.S., CMFRI, Cochin
2	175114002	Anusha H R	Leaf culture, seed culture and marker studies on coffee	Dr. M.K. Mishra, Plant Biotechnology Division, Coffee Board, Mysore
3	175114003	Dattaraj H R	Biodiversity, Nutritional and Bioactive potential of macrofungi of scrub jungles	Dr. K. R. Sridhar, Mangalore University
4	175114004	Divya S	Characterization of biocontrol agents against wilt causing <i>Ralstonia solanacearum</i> bacteria	Dr. Harini Kumar, GKVK, Bangalore
5	175114005	Fathimath Zaeema M P	Antiangiogenic, antioxidant and matrix metalloproteinase inhibitory activity of <i>Tinospora cordifolia</i>	Dr. Ashwini Prabhu, Yenepoya University
6	175114006	Ghousiya Samreen	Isolation and molecular characterization of <i>Pseudomonas fluorescens</i> and its effect on finger millet	Dr. Harini Kumar, GKVK, Bangalore
7	175114007	Jagadish B R	Diversity and nutraceutical value of macrofungi of scrub jungles	Dr. K.R. Sridhar, Mangalore University
8	175114008	Megha Lakshmish Bhat Agni	Separation and quantification of brain monoamines by HPLC	Dr. Monika Sadananda, Mangalore University
9	175114009	Megha V S	Transferability of mango EST based SSRs and genetic diversity analysis in cashew (<i>Anacardium occidentale L.</i>)	Dr. Siddanna Savadhi, NRCC, Puttur
10	175114010	Paramashree Deepa B K	Effect of Ionising radiation on wastewater treatment	Dr. Monika Sadananda, Mangalore University
11	175114011	Pratheeksha P Shetty	Domain study of BRCA1 gene and its genetic profile alteration in a small cohort of breast cancer patient population and extrapolating the data to determine the prevalence BRCA 1 mutation	Dr. Suparna Laha, Yenepoya University
12	175114012	Rajvi R Patel	Vitamin D receptor gene polymorphism is not associated with serum vitamin D levels among the school children of central Kerala	Dr. Anitha Ayyappan Pillai, ICCONS, Shoranur
13	175114013	Sindhu S	Acetylcholinesterase, NADPH- diaphorase and immediate early gene expression induced by LPS in Bird brain	Dr. Monika Sadananda, Mangalore University
14	175114014	Sowmya K.	Molecular characterisation of interspecific hybrids and genetic diversity analysis in cashew (<i>Anacardium occidentale L.</i>)	Dr. Siddanna Savadi, NRCC, Puttur
15	175114015	Yashashwini	CYP2R1 – SNP rs10741657 is not associated with Vitamin D levels in Kerala population	Dr. Anitha Ayyappan Pillai, ICCONS, Shoranur
