From the Vice Chancellor's Desk

I am happy to state that I have assumed the office of Vice Chancellor on 5th June, 2014 and present this issue of Newsletter highlighting the activities of the University in the fields of teaching and learning, research and innovation, infrastructural facilities, administrative initiatives, extra and co-curricular activities during first half of the year 2014.

Over the past 34 years, Mangalore University has grown in stature and is today recognised as one of the premier Universities in the country accredited by NAAC with 'A' Grade. Our University is known for conducting its academic programmes and examinations as per the academic calendar.

Our faculty has rendered itself creditably in teaching and research activities. Mangalore University has been ranked number two in Chemical Science Research at the National level and number one in International collaboration by SCOPUS, which is the largest abstract and citation database of peer-reviewed literature and quality web sources.

I am confident that Mangalore University will reach greater heights nationally and internationally in the days to come and attract students from other parts of the world.

Prof. K. BYRAPPA

A REPORT ON WORLD TOURISM DAY CELEBRATION 2014

Theme: Tourism And Community Development

World Tourism Day (WTD), is celebrated every year on 27 September, a global observance to highlight tourism's social, cultural, political and economic value. United Nations WTO Secretary General, annually sends out a message to the general public to mark the occasion.

UNWTO decided in September 1979 to institute World Tourism Day, which was first celebrated on September 27th, 1980. September 27th was chosen as the date for World Tourism Day because that date coincided with an important milestone in World Tourism – the anniversary of the adoption of the UNWTO statutes on September 27th. The UNWTO believes that the date for world tourism is appropriate because it comes at the end of the high tourist season in the northern hemisphere and start of the tourist season in the southern Hemisphere, when the tourism is of topical interest to many people worldwide, particularly travelers and those working in the tourism sector..

Tourism Club of MBA (Tourism Administration) in the Dept. of Business Administration started celebrating World Tourism day since 2002. For the last thirteen years WTD was celebrated on different themes. As part of the celebration, the department conducts various competitions to the Post Graduate students of the Mangalore University Campus to foster the significance of tourism. For the past fifteen days, before the celebration of the WTD on 27th September 2014, the following competitions were conducted: **Collage , Essay Writing , Painting, and Wealth out of Waste, Mehandi,, Spot Photography, Quiz and Cooking without Fire.. On 26th September 2014 Marathon- Run for Fun competition was conducted and nearly 130 Students from different departments of the campus participated**, which was flagged off by Prof K Byrappa, Vice Chancellor of Mangalore University. A total of **237 students** representing **25 departments** participated in the different competitions conducted. The formal programme was followed by the final round of the quiz competition and cultural programme by the students of MBA (TA) and other students from the campus.

Day long World Tourism Day -2014 was celebrated in the Dept. of Business Administration, Mangalore University. Prof. K Byrappa, Vice Chancellor of Mangalore University presided over the programme and in his presidential remarks shared his vast travel experience throughout the world stressing on how local community can play significant role in the travel and tourism industry. He also advised to involve local community in the celebration of WTD in the coming days.

Mr Nagesh Shetty, Station Manager – Air India Express, Mangalore International Airport was the Chief Guest, in his speech highlighted the wealth of heritage that India has to offer to whole world as the tourism products and urged for facilitating the tourism infrastructure to meet the demands of varying tourists coming to India. He said culture, curiosity, care and cleanliness plays prominent role in attracting tourist to any destination. Prof. T. Mallikarjunappa, Chairman of Dept. of Business Administration, was the Guest of Honor and spoke on tourism and community linkages and said tourism plays vital role in shaping social, cultural, economic and political values in the society. Prof. Mustiary Begum, Professor, Department of Business Administration and Coordinator – MBA (TA), welcomed the gathering and highlighted the importance of World Tourism Day and the significance of 27th September as the day for celebrating WTD.

Vice Chancellor of Mangalore University Prof. K Byrappa proposed oath to establish a “**Natural History Museum**” on Mangalagangothri Campus. All the students and participants took oath from the Vice Chancellor to develop such a museum on the campus as a part of community development and in turn this museum should become a tourist place for school and college students and also to the general public. Establishment of Natural History Museum involves the participation of all the departments and students. A place for such museum has already been located and work has been initiated.

The formal programme was followed by the final round of the quiz competition and cultural programme by the students of MBA (TA) and other students from the campus.

The Valedictory programme was held in the Dept of Business Administration, Prof. P.S. Yadapadithaya, Registrar of Mangalore University was the Chief Guest of the programme and Prof. Mustiary Begum, Coordinator – MBA (TA) presided over the programme.

Prof. P S Yadapadithaya spoke regarding the importance of tourism for the country and he mentioned the 7 essential Vows like Trust, Opportunity, Understanding, Relationship, Interactions, Satisfaction, Measurement and Management for tourism and he strongly emphasized about the needs and requirements of these vows in Tourism Industry. He also elaborated on the various P's available in tourism for those who wanted to actually get into tourism industry.

Prof. Mustiary Begum, Coordinator – MBA (TA) delivered the presidential remarks she congratulated all the winners of the various events and the participants who actively took part in the programme. She expressed her heartfelt gratitude to all the staffs and students of MBA (Tourism Administration) those who worked hard for the success of the World Tourism Day Celebration.
