Co-curricular and cultural activities reflecting the multicultural ambience of the region are conducted on the campus. The Prasara unit is engaged in the dissemination of knowledge and separate cells to cater to the needs of OBC and SC/ST students are housed on the campus. The campus has a large footprint for international students from different countries and also has a Counselor for the benefit of both employees and students.

AUTHORITIES OF THE UNIVERSITY

9

The Authorities of the University are the Syndicate, the Academic Council, the Finance Committee, the Boards of Studies, the Faculties and the Planning, Monitoring and Evaluation Board. The University is governed by the Karnataka State Universities' Act-2000.

CHOICE BASED CREDIT SYSTEM

The University Grants Commission, New Delhi, has directed all Universities in the country to implement the Choice Based Credit System (CBCS, Semester Scheme) programmes and issued guidelines in this regard. Government of Karnataka has considered the implementation of CBCS. Hence, Mangalore University has framed Regulations based on UGC guidelines which were introduced from the academic year 2016-17.

The Salient Features of the Choice Based Credit System (CBCS) (Semester Scheme)

Each course in a programme shall carry certain number of credits, which normally represent the weightage given to the course and are the functions of teaching, learning and evaluation strategies such as number of contact hours, the course content, teaching methodology, learning expectations, etc. In the proposed programmes, the credits shall be based on the number of instructional hours per week, generally 1 credit is equivalent to one hour of instruction in theory, or one or two hours of tutorial, or one and a half or two hours of practical/field work/project work/internship per week.

Other features

- The PG Degree Programmes are structured on Credit Based Semester Scheme.
- The relative importance of subjects of study and activities are quantified in terms of credits. Total credit of the programme is between 84 and 92.
- Each programme of study will have “Core” and “Elective” courses. The Core course will further consist of “Hard” and “Soft” core courses. Hard core courses will have 3-5 credits while soft core courses will have 3-4 credits.
- Two or more Open Elective courses of 3 credits (Except programmes under Management discipline) each shall be offered in the II and III semesters by every Department. Open elective will be chosen from an unrelated programme within the faculty or across the faculty.

The other features

10

- e) The declaration of result is based on the Grade Point Average (GPA) earned towards the end of each semester and the Cumulative Grade Point Average (CGPA) earned towards the end of the programme with corresponding alpha sign grade.
- f) The University departments offer various Value Added Courses with additional credits in each semester for the duration of 30 hours to enhance the employment opportunities of the students. The courses are conducted during evening hours and Saturdays. The courses being offered by the various departments and the guidelines are available in the University website.
- g) Massive Open Online Courses (MOOCs) are available for the students, through MHRD-SWAYAM Platform (<https://ugcmoocs.inflibnet.ac.in/>), to learn new skills.

COMPUTER CENTRE

Mangalore University Computer Centre was established in 1990 to provide access to computational and internet services to students, faculty and administrative staff on the campus. Computer Centre houses mail server and web server connected to clients in cyber lab and other PG Departments/offices/centres to provide ICT services. Campus wide network on OFC interconnects all computers systems in one logical network facilitating services to be utilized from any server on the network round the clock on 24x7 basis. Cyber lab houses 40 desktop systems with internet connectivity and adequate peripherals such as printers, scanners are operational from 10.00 AM to 5.30 PM on all working days. A central computer lab facility with 80 desktops of various configurations is also available for the research, practicals and web browsing for all the departments of the university.

University provides high speed Internet connectivity through two services providers viz. NKN and BSNL with 1 Gbps and 35 Mbps leased line respectively. Gateway level appliance provides firewall services, anti spam, anti-virus intrusion detection and content filtering services. This ensures secure and safe internet experience to all users. The Computer Centre also houses the IPPBX appliance (Cisco be3000) to provide VoIP

CENTRAL FACILITIES
