MANGALORE UNIVERSITY

AMENDMENTS TO REGULATIONS GOVERNING CERTIFICATE,DIPLOMA AND POST GRADUATE DIPLOMA COURSES IN TULU

(Framed under Section 44 (1)(c) of the KSU Act 2000)

Preamble:

As per the directions received from the UGC the University has introduced Add-on courses for the students at the under-graduate level. These Add-on programs are categorised as Certificate/Diploma/Advanced diploma in an add – on course / programme. The eligibility condition for the programme is two years Pre-University Examinations conducted by the Pre-University Education Board in the State of Karnataka or any other examination considered as equivalent thereto by Mangalore University.

The University has been offering Certificate, Diploma and Post Graduate Diploma course in Tulu and the eligibility criteria for admission to this certificate courses / programmes is fixed as SSLC examination conducted by Karnataka Secondary Education Board or any other examination considered as equivalent thereto shall be eligible.

This difference in the eligibility criteria to other certificate programs offered by the University creates unnecessary confusion on the quality of the programmes offered. Therefore, the University has decided to have uniformity in the eligibility to all the certificate courses / programmes offered by the University.

Further, some of the Certificate / Diploma/ Advanced Diploma programmes are referred to as courses. As per the recent UGC nomenclature in CBCS and as well as NAAC nomenclature these are referred to as called programes and individual papers are referred to as courses. Therefore, it is better that all these Certificate/Diploma/Post graduate Diploma courses are uniformly referred to as programmes. Hence, this amendment;
