ABOUT THE UNIVERSITY

Mangalore University campus at Mangalagangothri, located about 20 km to the south-east of the historic coastal town of Mangalore, sets the tone for the educational endeavors of the three districts under the jurisdiction of the University. It is a picturesque campus that sprawls over 333 acres, overlooking the confluence of the river Nethravathi with the Arabian Sea on the one side, and the cloud-capped Western Ghats on the other. It grew out of a modest postgraduate centre of the University of Mysore to become the focal point of an independent University in 1980. The campus, which once housed a mere three postgraduate departments, now has thirty-five postgraduate departments, supported by modern infrastructure and experienced faculty and experienced faculty. The 35 Postgraduate Departments offering 37 P.G. programmes and 30 Ph.D. Programmes.

ABOUT THE DEPARTMENT

The Department of Mathematics was started as a P.G. Centre of University of Mysore in 1968 and it became a full-fledged Department of Mangalore University in 1980. Department offers M.Sc. course in Pure and Applied Mathematics. There is a good response to the M.Sc. Mathematics course and successful students are employed in various organizations. The Department is also actively and extensively involved in research activities by offering Ph.D. programme, carrying out research projects, conducting seminars and conferences

ABOUT THE CONFERENCE

The Department of Mathematics, Mangalore University is conducting Three Days International Conference on Graphs and Combinatorics during 30th November to 2nd December 2022 with an aim to provide a meeting platform for several leading discrete mathematics experts and provide emerging researchers an exposure to the current research scenarios, discussions, presentations and problem-solving sessions.
