MANGALORE UNIVERSITY

(Accredited By NAAC)

National Workshop

on

"Transformation of Library for NEP - 2020"

August 08 -12, 2022

Venue :
Prof. M.N. Vishwanathaiah Sabhangana,
Lecture Complex, Mangalagangorthri

About the University:

Mangalore University Campus at Mangalagangothri, located about 20 km to the South-East of the historic coastal town of Mangalore, sets the tone for the educational endeavours of the three districts under the jurisdiction of the University. The sprawling picturesque campus spread over 333 acres, overlooking the confluence of the river Nethravathi with the Arabian Sea on the one side, and the cloud-capped Western Ghats on the other is centre of academic excellence. The University carved University of Mysore on September 10, 1980, only three post-graduate departments has grown impressively and presently holds 26 post-graduate departments, two constituent colleges and two post–graduate centres, supported by modern infrastructure and well experienced faculty. The University has 217 affiliated colleges, out of which 5 are Autonomous colleges, 6 are Constituant Colleges spread over three districts coming under its jurisdiction.

About the Library:

The University Library established in 1980 is a premier unit of the Mangalore University. Over the past 40 years it has grown along with the university and is providing comprehensive academic support to generation of teachers, students and research scholars. The Library apartment from providing needed service to teachers, students and research scholars of the university has extended its services outside corporate members, institutional members and registered individual members from public.The library acts as heart of the apex institution of higher education and continues to play active role in the pursuit of frontiers of new knowledge.

The University Library is housed in an independent building with a carpet area of 6500 sq.mtrs. The Library has Browsing, Circulation, Periodical, Reference, Stack, Textbook, Language and literature sections, ETD lab and Cyber lab.The library building also houses an office, Librarian's chamber, Acquisition section and Orientation hall. The library has a collection of over 2,20,426 documents which include books, bound volumes of journals, theses, dissertations, rare books, reports, governments documents, CDs & DVDs covering a wide variety of subjects. The database of the library collection has been created using "Koha - open source software". Besides traditional library services, the library provide several web based information services.

About the Workshop Theme

Transformation of libraries for NEP-2020

Sub-Themes

1. NEP, interdisciplinary research and role of libraries
2. Online databases for research and academic activities of the higher education institutions
3. Open source electronic resources in promotion of research and academic activities
4. Research writing tools - Grammarly, Plagiarism and research ethics
5. Applications of statistical tools in data analysis - SPSS package
6. "Koha" - theoretical framework, different modules and their applications in libraries

Relevance of the Workshop in the Present Context

National Education Policy (NEP) 2020 greatly emphasises on interdisciplinary and multi-disciplinary studies and research and is mainly focusing on student-centered education. The students have more options and liberty in pursuing education. Hence library becomes hub of knowledge for research & academic activities and plays greater role in higher education institutions. Under these circumstances it is necessary that library staff have to possess knowledge of new tools, technologies and skills of handling these technologies, software, information gathering, consolidation and search strategies. So users,
